

PURELY CANADIAN

Our milk has always been 100% Canadian. Like you, we are proud to exclusively support Canadian farms.

Soon you'll be able to find the Dairy Farmers of Canada logo on all of our Beatrice milk.

Proudly made at Canadian dairy farms, Beatrice milk provides both the creamy, fresh taste and essential nutritional components that consumers expect as part of a healthy menu. Beatrice offers milk in a variety of fat levels, as well as specialty beverages such as chocolate milk, buttermilk and eggnog.

Lactantia PurFiltre milks are specially made using a unique micro-filtration process that increases shelf life without taking away any of the creaminess and flavour. Lactantia also produces a wide range of functional milks from lactose-free to Omega 3 and more. Lactantia 35% Whipping Cream, 18% Table Cream and 10% Half & Half deliver the rich taste and velvety texture of farm fresh cream.

Sensational Soy Beverages have a smooth, creamy flavour and satisfying fresh taste. Using only organic soybeans and fortified with essential vitamins and minerals, our Soy beverages can offer you a delicious and healthy alternative.
